

#### Message from the President

IPA Pakistan Section had the highest membership ever of 582 Police officers in 2015. The association operates in four regions; Punjab, Sindh Baluchistan and Islamabad/KPK. Our vision is to expand its base to more regions and incorporate initiatives aimed at increasing membership. In pursuit of that, several events and meetings were held in 2015 not only to gauge the performance of every region but also to promote friendship amongst members. It is encouraging to see substantial contribution of the National Executive Council as well as regional office bearers towards fulfillment of this cause. Our objective is to increase the visibility of IPA within Police all across the country and also engage effectively with our global counterparts. By building this network, we hope to strengthen the rapport amongst fellow comrades for their collective benefit from the knowledge and experiences of one another.
